

Supplier Spotlight

Featured Vendors at the Centricity Supplier Showcase - May 15th

Company	What's Hot
ETS Express	Known for premium drinkware innovations, ETS Express is showcasing their new temperature-controlled tumblers and sustainable water bottles with customizable digital wrap printing—perfect for eco-conscious brands seeking maximum visibility with minimal environmental impact.
Gemline	Gemline, a B Corp and leading supplier since 1958, offers premium branded products including bags, drinkware, tech, and lifestyle gifts. Featuring top brands like Moleskine, Samsonite, and CORKCICLE®, Gemline promotes community impact through design-forward solutions and high-quality products for corporate gifting, recognition, and promotional programs.
Hit Promo	Hit Promo brings quick-turn customization with their 24-hour rush service on trending tech accessories, including their new wireless earbuds and bamboo charging stations. Their expanded sustainable product line features items made from ocean-recovered plastics.
PCNA	PCNA's unified portfolio includes premium retail brands like Hydro Flask, Thule, and Camelbak. Their expansive decoration capabilities and seamless drop-shipping services are complemented by their EcoSmart™ collection of sustainable promotional products and apparel.
Pop Promos	Pop! Promos is the leading quick-turn supplier of Pantone-matched, full-color branded merchandise—built from scratch, always on trend, and designed to deliver impact fast. We help you stand out with unlimited creative options. Custom Made Simple® - We Get It Right. Branding. Product. Ship Date.
SanMar	SanMar dominates apparel with their expanded sustainable collections featuring recycled fabrics. Their newest offerings include corporate-ready performance wear with moisture-wicking technology and retail-inspired styles from exclusive brand partnerships with Eddie Bauer and Nike.
Showdown Displays	Showdown Displays revolutionizes event spaces with their new lightweight tension fabric displays and digitally-printed floor graphics. Their innovative augmented reality signage solutions create interactive branded environments with easy setup and stunning visual impact.
Winning Edge	Winning Edge Inc., 100% employee-owned, creates custom U.S.-made framed awards and desk awards, and are made from a variety of materials like bamboo, acrylic, glass, stone, metal, crystal and more. Services include design, packaging, fulfillment, and drop-shipping.
Wincraft/Larlu	Wincraft/Larlu brings officially licensed sports merchandise with corporate branding opportunities. Their trending dual-branded items include premium tailgating accessories, office decor, and championship-quality golf accessories—perfect for sports-loving corporate cultures.
Centricity Global Solutions	Centricity Global Solutions specializes in high-volume direct imports with custom manufacturing capabilities spanning medals, lapel pins, regalia, bags, and drinkware. Their transparent process and unique design expertise deliver premium customization with significant cost savings for large-quantity orders.
